

STOOLS

Forge Stool

TF-ST-FRG

The bar stool companion to the Forge Chair. Shares the same Scandinavian-industrial DNA — solid natural ash timber round seat on a welded matte black steel frame with a circular footrest ring. Available in counter height (650mm) and bar height (750mm). The Forge Stool suits craft beer bars, industrial-style restaurants, and open-plan kitchen counters where honest materials speak louder than decoration.
